

# The European Academy of Nursing Science (EANS)

Winter Summit 2015

Athens, Greece

January 22<sup>nd</sup> and 23<sup>rd</sup>

**Theme: *How to Build, Lead and Sustain a Research Programme***

## **Aim**

To provide opportunity for researchers at different levels of career progression to gain knowledge, inspiration and understanding of tools and models that will move nursing science from one-shot solo projects by junior scientists to coherent research programmes (comprising several projects of different designs) led by senior researchers.

## **Format**

Masterclasses, workshops, research auctions and debate.

## **The EANS Winter Summit**

The Summit is a winter gathering of nurse scientists from across Europe who come together to progress the scientific aims of EANS, develop collaborations and deepen their understanding of nursing science. As well as opportunities to develop new and progress existing collaborations, the Summit seeks to deepen our understanding of nursing research in its various contexts within Europe.

## Programme

### Thursday 22<sup>nd</sup> January

- 10.00 – 12.00 EANS Scientific Committee (opportunities for Collaboration Pools)
- 12.00 – 12.30 Lunch available
- 12.30 – 12.45 Welcome to the Winter Summit  
Professor Julie Taylor (Chair, EANS Scientific Committee) with
- The Dean of the School of Human Movement and Quality of Life Sciences, University of Peloponnese: Professor Georgiadis Konstantinos
  - The new President of the Nursing Department, University of Peloponnese: Associate Professor Zyga Sofia
  - The President of the Department of Nursing, University of Athens: Professor Lemonidou Chrysoula
- 12.45 – 13.30 Summit Plenary 1: Translating research ideas and theories into research programmes in primary health care: experiences gained from the University of Crete  
Professor Lionis Christos, Professor of General Practice and Primary Care. Head of Clinic of Social and Family Medicine, School of Medicine, University of Crete
- 13.30 – 14.00 Presidential Address: Professor David Richards
- 14.15 – 15.15 (Concurrent sessions): Workshops A and B and Expert Marketplace
- 15.15 – 15.45 Refreshments
- 15.45 – 17.15 (Concurrent sessions): Masterclasses C and D and Collaboration Pools
- 19.00 Summit Dinner Acropolis Museum (provisionally booked)

### Friday 23<sup>rd</sup> January

- 09.00 – 09.45 Summit Plenary 2: For a successful research proposal: Is a brilliant idea enough or do more actions have to be taken? (Subtitle: It isn't just the content that makes you pick up a book)  
Professor Koutsouris Dimitris-Dionisis, Head of Biomedical Engineering Laboratory, School of Electrical and Computer Engineering, National Technical University of Athens
- 09.45 – 10.45 (Concurrent Sessions) Workshops A and B, Collaboration Pools and Keynote Auction
- 10.30 – 11.00 Refreshments
- 11.00 – 12.30 (Concurrent sessions): Workshops A and B and Expert Marketplace
- 12.30 – 14.00 (Concurrent sessions): Masterclasses C and D and Collaboration Pools (working lunch)
- 14.00 EANS Annual General Meeting

Sessions finish five minutes before start of next session.

**Key:**

**Workshop A:** Building resilience

**Workshop B:** Team science: evidence based team building and collaboration. Sustaining leadership.

**Masterclass C:** Preparing for EU funding: Building a consortium, designing work packages, dividing responsibilities

**Masterclass D:** Building and sustaining programmes and moving onto new ones (mix with D)

**The Expert Marketplace:**

Researchers at the beginning of their post-doctoral career are welcome to challenge a group of professors with their research idea (or research problem). A 200-word application to be submitted in advance - experts will be on hand to discuss your research problem and make suggestions for solutions.

**Collaboration Pools:**

An important feature of the Summit is affording opportunities for established or emergent collaborations to progress. If you want to host a Collaboration Pool, please use the EANS website for times and proposals.

**Keynote Auction:**

If you are an expert on one of the aspects of the summit themes, please write a three line proposal for a 15-minute keynote presentation. There will be an auction, and the four proposals with most votes will be presented.

'Ask Me' badges will be worn by all experienced researchers willing to offer one-to-one advice during the Summit. Seek one out with a specific request.

Options to stay Friday night and possible trip to Sparta.
